

SECRETARY'S REPORT 2018-2019

The last 12 months have seen curved balls thrown my way with the introduction of our membership web site. It has certainly made the membership process more streamlined and efficient, and reduced my workload enormously, however there have been some issues with the site notifying me of member renewals and the addition of new members.

We currently have

- . 394 members on our database
- . 229 current active members
- . 25 newly registered members

Once again our healthy numbers reflect the work done by our state co-ordinators, and the enormous effort Cheryl Kelly, our President, has put into supporting our state co-ordinators, travelling far and wide in her own time, to help with education sessions. She has worked tirelessly to keep all wheels aligned and moving forward. My sincere thanks to Cheryl for the work she put into the membership web site, and Phil Morton our web master.

Apologies to new members who may not have received their welcome package. I am relying on the web site to notify me of their contribution, however it has not always been forthcoming. Please email me if this is so.

I would like to thank all committee members for their diligence and continued support and wish those outgoing all the best for the future. Hopefully some of you have got your legs moving and managed a bit of a run over the last 12 months.

Remember, the feeling you get from a good run is far better than the feeling you get from sitting around wishing you were running.

Virginia Thomson
OHNNG Secretary
